

Zargenbruch - Press release

Moving beats from the rhythm-crew, catchy melodies and powerful parts of rap go into legs, hips and ears. No limits in mind and music - Influenced by the cultural melting pot of Berlin, the rousing songs combine elements from chanson, reggae, ska to hip hop, swing and folk. On the one hand, Zargenbruch's trademarks are the pure energy and desire, that this combo transports on stage and in their music. On the other hand, the breaks in style and their different-language lyrics - critical and political, humorous to romantic or exuberantly excessive. Zargenbruch seduces to a musical intoxication of a special kind.
